**GENERAL INFORMATION AND UPDATE ON PREVIOUS QUERIES**

**Update re Road Traffic Operation on 15 and 16 December 2014** - 4 Officers from the Whinhill Police Office with the assistance of our Roads Policing Unit, Special Constables and City Wardens, patrolled the streets throughout the Westend CPT in an effort to target areas where instances of anti-social driving, speeding, inappropriate parking and other offences had been reported to the Police by residents, schools, Community Councils and elected members.

As a result of this Operation 16 drivers were cautioned and charged regarding various Road Traffic Offences including Speeding, Careless Driving, failing to obey Red Traffic Lights, failing to obey Directional Road Signs, using a Mobile Telephone whilst driving and failing to wear a Seat Belt. 10 drivers were warned regarding Speeding. 49 drivers were educated regarding their driving behaviour and speeding. 6 others were educated regarding minor Road Traffic Offences.

At various times and locations our Officers were approached by residents who were all receptive to our actions and most commented that they were very pleased with what they were witnessing.

We met our objective by attending and addressing issues reported by our local residents, schools, Community Councils and councillors. This was a well worth exercise and will hopefully be repeated throughout 2015.

Our team at Whinhill are committed to keeping the community safe, preventing and detecting crime. If any suspicious activity is seen, please report this to us, either as an emergency on 999 or to the Service Centre on 101. Quick and effective reporting allows our team to react accordingly and maximise the opportunity to apprehend offenders.

The primary purpose of these e-mail addresses is for residents to report non-criminal queries,

such as passing attentions, information, advice and non-criminal quality of life issues, such as youth annoyance. These e-mail addresses are not for reporting crimes or offences. The process for reporting any crimes or offences is to call 101 (Aberdeen Service Centre) who will log the call on our Command and Control system and allocate the incident to our area. Using this process negates the possibility of the report being missed and also ensures that the callers detail, addresses and telephone numbers are noted for our awareness and response.

Your comments and concerns are important to the staff of the West End CPT. This allows us to allocate our resources to the areas causing you the most concern. Should you have any concerns or questions, please do not hesitate to discuss these with the Officer attending your Community Council Meeting or by emailing the above e-mail addresses or our Service Centre. It is not necessary to wait until the meeting and Inspector McKinnon welcomes your contact.
