Quality of Life Calls

There is a reduction to the number of Quality of Life calls, which is a reflection of our robust stance to disturbances occurring at the Willows Children's home. Motorcycles continue to cause a problem within our area and will no doubt increase as the nights get longer. This is being targeted by staff working on Operation Ruby who are dedicated to an intelligence led approach on known offenders. We would ask if anyone has any information relating to riders of these bikes, or where they are being kept, to call 101 or pop into the Police Office.

Streets with more than one incident are as follows:

Anderson Drive	MOTORCYCLES	2
Great Southern Road	MOTORCYCLES	2

It is heartening to see that this month there has been no House Braking's, nor thefts from properties. Hopefully the message is getting out that keeping your property safe is far more preferably to waking up and finding someone has been within your home.

Unfortunately, thefts from insecure vehicles have risen.

These types of crime continue to tie up our Officers, keeping them from carrying out high visibility deterrent patrols.

Streets with more than one crime are as follows:

Each Sergeant and his Officer's at the Whinhill Office continue to engage with those that live and work in our area, making it one of the safest and prosperous areas in Aberdeen.

We are due to run our highly successful operation targeting speeding drivers outside of schools and will again be working hand-in-hand with those affected.

Our team at Whinhill are committed to keeping the community safe, preventing and detecting crime. If any suspicious activity is seen, please report this to us, either as an emergency on 999 or to the Service Centre on 101. The primary purpose of these e-mail addresses is for residents to report non-criminal queries,

such as passing attentions, information, advice and non-criminal quality of life issues, such as youth annoyance. These e-mail addresses are not for reporting crimes or offences. The process for reporting any crimes or offences is to call 101 (Aberdeen Service Centre) who will log the call on our Command and Control system and allocate the incident to our area. Using this process negates the possibility of the report being missed and also ensures that the callers detail, addresses and telephone numbers are noted for our awareness and response.

Your comments and concerns are important to the staff of the West End CPT. This allows us to allocate our resources to the areas causing you the most concern. Should you have any concerns or questions, please do not hesitate to discuss these with the Officer attending your Community Council Meeting or by emailing the above e-mail addresses or our Service Centre. It is not necessary to wait until the meeting and Inspector McKinnon welcomes your contact.
