- Quality of life calls have decreased by 5
- There were 2 Housebreakings (1 Garage)
- Vandalisms have remained at 2
- Overall CrimeFile offences have decreased by 2

GENERAL INFORMATION

Over the coming month we will be continuing our focus on crime patrols in areas affected by break-ins or car crime.

Members of the public continued to be of great assistance to us in December by reporting suspicious activity at the time it was occurring, thereby giving us the best chance of recovering property and detaining suspects.

As an aside, it is a good idea to review your home security every so often - think about how you would get into your house or garage if you were locked out. If the answer is 'I can't get in' then you are in a good place (though not so good if you **were** actually locked out).

If you see weakness somewhere, there are usually simple remedies.

As ever, we are always appreciative of calls from members of the public reporting suspicious activity, and would encourage you to trust your instincts in this regard.

Ian McKinnon
Inspector

Our team at Whinhill are committed to keeping the community safe, preventing and detecting crime. If any suspicious activity is seen, please report this to us, either as an emergency on 999 or to the Service Centre on 101. Quick and effective reporting allows our team to react accordingly and maximise the opportunity to apprehend offenders.

Follow us on Twitter @NorthEPolice #WestEndCPT

Also available are the three following contact email addresses for the West End:

AiryhallBroomhillGarthdeeCPT@Scotland.pnn.police.uk

HazleheadAshleyQueensCrossCPT@Scotland.pnn.police.uk

TorryFerryhillCPT@scotland.pnn.police.uk

The primary purpose of these e-mail addresses is for residents to report non-criminal queries, such as passing attentions, information, advice and non-criminal quality of life issues, such as youth annoyance. These e-mail addresses are not for reporting crimes or offences. The process for reporting any crimes or offences is to call 101 (Aberdeen Service Centre) who will log the call on our Command and Control system and allocate the incident to our area. Using this process negates the possibility of the report being missed and also ensures that the callers detail, addresses and telephone numbers are noted for our awareness and response.

Your comments and concerns are important to the staff of the West End CPT. This allows us to allocate our resources to the areas causing you the most concern. Should you have any concerns or questions, please do not hesitate to discuss these with the Officer attending your Community Council Meeting or by emailing the above e-mail addresses or our Service Centre. It is not necessary to wait until the meeting and Inspector McKinnon welcomes your contact.
