

West End Community Policing Team

Community Council Meetings Performance Summary

Statistics for January 2016

February 2016 Meetings

Produced by Inspector Ian McKinnon
Document Reference:
Last Printed/Updated: 01/02/2016

POLICE
SCOTLAND

NOT PROTECTIVELY MARKED

The following is a summary of Quality of Life incidents between 01/01/2016 and 31/01/2016, within the West End Community Policing area:

Quality of Life Calls

STORM Incidents

	AS3A	AS3B	AS3C	Total
	Ferryhill	Mannofield	West End	
MOTORCYCLE	0	1	0	1
DRINKING IN PUBLIC	1	0	0	1
DRUGS/SUBSTANCE MISUSE	2	2	0	4
PUBLIC NUISANCE	3	4	2	9
Total	6 ↓	7 ↑	2 ↓	15 ↓

The number of quality of life calls has fallen this month and there were no calls of real significance.

Streets with more than one incident are as follows:

Street	Incident Class Desc	Number of Incidents
HOLBURN STREET	DRUG/SUBSTANCE MISUSE	4
HOLBURN STREET	PUBLIC NUISANCE	2

Only one street has more than one incident. Three of the four drug incidents refer simply to information received, whilst the fourth relates to a positive stop/search conducted by my Officers.

The public nuisance calls were at different areas on Holburn Street, and were unrelated.

The following is a summary of Priority Crimes between 01/01/2016 and 31/01/2016:

CRIMEFILE Offences

	AS3A	AS3B	AS3C	Total
	Ferryhill	Mannofield	West End	
Att HB w.i. to steal (domestic prop -dwelling)	0	0	0	0
Theft by HB, (House)	1	2	1	4
Theft by HB (Shed / Garage)	1	0	3	4
Theft, from a motor vehicle not elsewhere classified	2	2	2	6
Theft by OLP from a motor vehicle	2	0	0	2
Theft of vehicle & contents incl taking + driving away	0	0	0	0
Possession of drugs	1	1	1	3
Vandalism	3	3	2	8
Total Recorded	10 ↓	8 ↓	9 ↑	27 ↓

An overall fall in the relevant offences again this month, but there are instances of acquisitive crime occurring.

In particular garages mainly in lanes at the rear of properties are being targeted and there are still thefts occurring from within unsecured vehicles.

NOT PROTECTIVELY MARKED

We had a number of successes in disrupting and detecting some of these garage break ins and two males have reported for offences occurring in January.

Regardless the best defences are still a good lock (if used), and vigilant neighbours. If someone is hanging around your street and it doesn't feel right - trust your instincts and let us know.

Streets with more than one crime are as follows:

Street Name	Crime Group Level 4	Number of Offences
NORTH DEESIDE ROAD	POSSESSION OF DRUGS	2
RUBISLAW SQUARE	THEFT FROM A VEHICLE	2

The North Deeside Road offences came from a stop and search.

The two Rubislaw Square offences occurred on the same night and are related and were insecure vehicles.

Summary of Calls and Crimefiles compared to last month:

AS3A – Ferryhill

- Quality of life calls have reduced by 3
- There were 2 Housebreakings
- Vandalisms have decreased by 2
- There were 2 Thefts from vehicles
- Overall CrimeFile offences have decreased by 4

AS3B – Mannofield

- Quality of life calls have increased by 2
- There were 2 Housebreaking
- Vandalisms have increased by 3
- There were 2 Thefts from vehicles
- Overall CrimeFile offences have decreased by 2

AS3C – West End

- Quality of life calls have decreased by 1
- There were 4 Housebreakings
- Vandalisms have decreased by 1
- There were 2 Thefts from vehicles
- Overall CrimeFile offences have increased by 3

GENERAL INFORMATION

Though still fairly low levels, once again this month there have been occurrences of Housebreakings and attempted Housebreakings to garages and we would encourage members of the public to be vigilant in their areas.

The offences are often occurring in lanes at the back of properties, and my advice is to fit a cheap but noisy contact alarm to you garage, and always make sure it is locked.

If you see anyone loitering in these lanes, remember descriptions and consider letting us know at the time on 101.

Trust your instincts with this - Who better to assess what is normal in an area than those that live there.

Thanks

Ian McKinnon
Inspector

Our team at Whinhill are committed to keeping the community safe, preventing and detecting crime. If any suspicious activity is seen, please report this to us, either as an emergency on 999 or to the Service Centre on 101. Quick and effective reporting allows our team to react accordingly and maximise the opportunity to apprehend offenders.

Follow us on Twitter @NorthEPolice #WestEndCPT

Also available are the three following contact email addresses for the West End:

AiryhallBroomhillGarthdeeCPT@Scotland.pnn.police.uk
HazleheadAshleyQueensCrossCPT@Scotland.pnn.police.uk
TorryFerryhillCPT@scotland.pnn.police.uk

The primary purpose of these e-mail addresses is for residents to report non-criminal queries, such as passing attentions, information, advice and non-criminal quality of life issues, such as youth annoyance. These e-mail addresses are not for reporting crimes or offences. The process for reporting any crimes or offences is to call 101 (Aberdeen Service Centre) who will log the call on our Command and Control system and allocate the incident to our area. Using this process negates the possibility of the report being missed and also ensures that the callers detail, addresses and telephone numbers are noted for our awareness and response.

Your comments and concerns are important to the staff of the West End CPT. This allows us to allocate our resources to the areas causing you the most concern. Should you have any concerns or questions, please do not hesitate to discuss these with the Officer attending your Community Council Meeting or by emailing the above e-mail addresses or our Service Centre. It is not necessary to wait until the meeting and Inspector McKinnon welcomes your contact.
